Bringing the arts home

Remember when your mom proudly displayed your picture or poem on the fridge?

Most of us like to surround ourselves with creations that inspire and beautify. We fill our workdays and weekends with music and entertainment. Brunswick Art Works (BAW) strives to bring the beauty of art, in a variety of forms, to all age groups in our family-oriented community.

WHO WE ARE

We are a diverse group of individuals that have a passion for the visual and performing arts in all forms. Some of us are artists, painters, musicians, poets, teachers, writers, dancers, or just people with a love of the arts.

The organization is open to individuals, couples, families, businesses and corporations who would like to use their talents and abilities to foster growth of the arts in Brunswick. Members are encouraged to attend meetings to plan projects, brainstorm new ideas, and share their creativity with the group.

“The City of Brunswick is fortunate to have the talent and passion of this group of volunteers who work endlessly to enrich and beautify our city with their focus on the fine and performing arts. Brunswick Art Works is a valuable asset to our community.”

Robert Zienkowski
Brunswick City Manager
